

**SHARE REPURCHASE PLAN OF
INPOINT COMMERCIAL REAL ESTATE INCOME, INC.**

Effective May 13, 2021

The words “we,” “us” and “our” refer to InPoint Commercial Real Estate Income, Inc., together with its consolidated subsidiaries, including InPoint REIT Operating Partnership, LP, a Delaware Limited Partnership of which we are the general partner, unless the context requires otherwise.

General

While stockholders should view their investments as long term with limited liquidity, we have adopted a share repurchase plan, whereby on a monthly basis, stockholders (including Class P stockholders) who have held our shares of common stock may request that we repurchase all or any portion of their shares. Due to the illiquid nature of investments in real estate, we may not have sufficient liquid resources to fund repurchase requests. Because there is no public market for our shares, stockholders may have difficulty selling their shares if we choose to repurchase only some, or even none, of the shares that have been requested to be repurchased in any particular month, in our discretion, or if our board of directors modifies, suspends or terminates the share repurchase plan. In addition, we have established limitations on the amount of funds we may use for repurchases during any calendar month and quarter. See “—Repurchase Limitations” below.

Stockholders may request that we repurchase shares of our common stock that stockholders have held for at least one year through their financial advisor or directly with our transfer agent. The procedures relating to the repurchase of shares of our common stock are as follows:

- Certain broker-dealers require that their clients make repurchase requests through their broker-dealer, which may impact the time necessary to process such repurchase request. Stockholders should contact their broker-dealer first before requesting the repurchase of their shares.
- Under our share repurchase plan, to the extent we choose to repurchase shares in any particular month, we will only repurchase shares as of the opening of the last business day of that month (a “Repurchase Date”). For stockholders to have their shares repurchased, their repurchase request and required documentation must be received in good order by 3:00 p.m. (Central time) on the fourth to last business day of the applicable month. Settlements of share repurchases will be made within three business days of the Repurchase Date. Repurchase requests received and processed by our transfer agent will be effected at a repurchase price equal to the transaction price on the applicable Repurchase Date (which will generally be equal to our prior month’s NAV per share).
- A stockholder may withdraw his or her repurchase request by notifying Inland Investor Services, directly or through the stockholder’s financial intermediary, on our toll-free telephone line, 800-826-8228. The line is open on each business day between the hours of 8:00 a.m. and 5:00 p.m. (Central time). Repurchase requests must be cancelled before 12:00 p.m. (Central time) on the last business day of the applicable month.
- If a repurchase request is received after 3:00 p.m. (Central time) on the fourth to last business day of the applicable month, the purchase order will be executed, if at all, on the next month’s Repurchase Date at the transaction price applicable to that month, unless such request is withdrawn prior to the repurchase. Repurchase requests received and processed by our transfer agent on a business day, but after the close of business on that day or on a day that is not a business day, will be deemed received on the next business day.
- Stockholders may make repurchase requests by mail or by contacting their financial intermediary, both subject to certain conditions described in this prospectus. If making a repurchase request through a financial intermediary, stockholders’ financial intermediary may require that they provide certain

documentation or information. If making a repurchase request by mail to the transfer agent, stockholders must complete and sign a repurchase authorization form which will be available on our website at www.inland-investments.com/inpoint or available by telephone request from Inland Investor Services at 800-826-8228. Written requests should be sent to the transfer agent at the following address:

DST Systems, Inc.
PO Box 219182
Kansas City, MO 64121-9182

Overnight Address:
DST Systems, Inc.
430 W. 7th St.
Kansas City, MO 64105

- Corporate investors and other non-individual entities must have an appropriate certification on file authorizing repurchases. A signature guarantee may be required.
- For processed repurchases, stockholders may request that repurchase proceeds are to be paid by mailed check provided that the check is mailed to an address on file with the transfer agent for at least 30 days. Stockholders should check with their broker-dealer that such payment may be made via check or wire transfer, as further described below.
- Stockholders may also receive repurchase proceeds via Automated Clearing House (“ACH”) transfer, provided that ACH instructions for their brokerage account or designated U.S. bank account are provided. For all repurchases paid via ACH transfer, the funds will be deposited to the account on file with the transfer agent or, upon instruction, to another financial institution provided that the stockholder has made the necessary funds transfer arrangements. The customer service representative can provide detailed instructions on establishing funding arrangements and designating a bank or brokerage account on file. Funds will be sent via ACH only to U.S. financial institutions (ACH network members).
- A medallion signature guarantee will be required in certain circumstances. The medallion signature process protects stockholders by verifying the authenticity of a signature and limiting unauthorized fraudulent transactions. A medallion signature guarantee may be obtained from a domestic bank or trust company, broker-dealer, clearing agency, savings association or other financial institution which participates in a medallion program recognized by the Securities Transfer Association. The three recognized medallion programs are the Securities Transfer Agents Medallion Program, the Stock Exchanges Medallion Program and the New York Stock Exchange, Inc. Medallion Signature Program. Signature guarantees from financial institutions that are not participating in any of these medallion programs will not be accepted. A notary public cannot provide signature guarantees. We reserve the right to amend, waive or discontinue this policy at any time and establish other criteria for verifying the authenticity of any repurchase or transaction request. We may require a medallion signature guarantee if, among other reasons: (1) the amount of the repurchase request is over \$500,000; (2) stockholders wish to have repurchase proceeds transferred by ACH to an account other than the designated bank or brokerage account on file for at least 30 days or sent to an address other than stockholders’ address of record for the past 30 days; or (3) our transfer agent cannot confirm stockholders’ identity or suspects fraudulent activity.
- If a stockholder has made multiple purchases of shares of our common stock, any repurchase request will be processed on a first in/first out basis unless otherwise requested in the repurchase request.

Minimum Account Repurchases

In the event that any stockholder fails to maintain the minimum balance of \$500 of shares of our common stock, we may repurchase all of the shares held by that stockholder at the repurchase price in effect on the date we determine that the stockholder has failed to meet the minimum balance. Minimum account repurchases will apply even in the event that the failure to meet the minimum balance is caused solely by a decline in our NAV.

Sources of Funds for Repurchases

We may fund repurchase requests from sources other than cash flow from operations, including, without limitation, the sale of assets, borrowings, return of capital or offering proceeds, and we have no limits on the amounts we may pay from such sources.

In an effort to have adequate cash available to support our share repurchase plan, we may reserve borrowing capacity under a line of credit. We could then elect to borrow against this line of credit in part to repurchase shares presented for repurchase during periods when we do not have sufficient proceeds from operating cash flows or the sale of shares in this continuous offering to fund all repurchase requests. If we determine to obtain a line of credit, we would expect that it would afford us borrowing availability to fund repurchases.

Repurchase Limitations

We may repurchase fewer shares than have been requested in any particular month to be repurchased under our share repurchase plan, or none at all, in our discretion at any time. In addition, the total amount of aggregate repurchases of shares will be limited to no more than 2% of our aggregate NAV per month (measured using the aggregate NAV as of the last day of the previous calendar month) and no more than 5% of our aggregate NAV per calendar quarter (measured using the aggregate NAV as of the last day of the previous calendar quarter).

In the event that we determine to repurchase some but not all of the shares submitted for repurchase during any month, shares submitted for repurchase during such month will be repurchased on a pro rata basis in the following order of priority: (i) first, shares repurchased in connection with a death or disability, until all such shares have been repurchased; (ii) next, shares being repurchased from stockholder accounts with an aggregate value of less than \$500, until all such shares have been repurchased; and (iii) finally, all other shares submitted for repurchase. All unsatisfied repurchase requests must be resubmitted after the start of the next month or quarter, or upon the recommencement of the share repurchase plan, as applicable.

If the transaction price for the applicable month is not made available by the eighth business day prior to the last business day of the month (or is changed after such date), then no repurchase requests will be accepted for such month and stockholders who wish to have their shares repurchased the following month must resubmit their repurchase requests.

Should repurchase requests, in our judgment, place an undue burden on our liquidity, adversely affect our operations or risk having an adverse impact on us as a whole, or should we otherwise determine that investing our liquid assets in real properties or other illiquid investments rather than repurchasing our shares is in the best interests of us as a whole, we may choose to repurchase fewer shares in any particular month than have been requested to be repurchased, or none at all. Further, our board of directors may modify, suspend or terminate our share repurchase plan if it deems such action to be in our best interest and the best interest of our stockholders. Material modifications, including any amendment to the 2% monthly or 5% quarterly limitations on repurchases, to and suspensions of the share repurchase plan will be promptly disclosed to stockholders in a prospectus supplement (or post-effective amendment if required by the Securities Act) or special or periodic report filed by us. Material modifications will also be disclosed on our website. In addition, we may determine to suspend the share repurchase plan due to regulatory changes, changes in law or if we become aware of undisclosed material information that we believe should be publicly disclosed before shares are repurchased. Once the share repurchase plan is suspended, our board of directors must affirmatively authorize the recommencement of the plan before stockholder requests will be considered again.

One-Year Holding Period

Stockholders (including Class P stockholders) may not request that we repurchase their shares for at least one year. The one-year holding period is measured as of the subscription closing date immediately following the prospective repurchase date.

As set forth above, we may waive the one-year holding period in respect of repurchase of shares resulting from the death of a stockholder who is a natural person, subject to the conditions and limitations described above, including shares held by such stockholder through a revocable grantor trust or an IRA or other retirement or profit-sharing plan, after receiving written notice from the estate of the stockholder, the recipient of the shares through bequest or inheritance (even where the recipient subsequently registered the shares in his, her or its own name), or, in the case of a revocable grantor trust, the trustee of such trust, who shall have the sole ability to request repurchase on behalf of the trust. We must receive the written repurchase request within 12 months after the death of the stockholder in order for the requesting party to rely on any of the special treatment described above that may be afforded in the event of the death of a stockholder. Such a written request must be accompanied by a certified copy of the official death certificate of the stockholder. If persons are joint registered holders of shares, the request to have the shares repurchased may be made if either of the registered holders dies. If the stockholder is not a natural person, such as certain trusts or a partnership, corporation or other similar entity, the right of repurchase upon death does not apply.

Furthermore, as set forth above, we may waive the one-year holding period in respect of repurchase of shares held by a stockholder who is a natural person who is deemed to have a qualifying disability (as such term is defined in Section 72(m)(7) of the Code), subject to the conditions and limitations described above, including shares held by such stockholder through a revocable grantor trust, or an IRA or other retirement or profit-sharing plan, after receiving written notice from such stockholder, provided that the condition causing the qualifying disability was not pre-existing on the date that the stockholder became a stockholder. We must receive the written repurchase request within 12 months of the initial determination of the stockholder's disability in order for the stockholder to rely on any of the waivers described above that may be granted in the event of the disability of a stockholder. If persons are joint registered holders of shares, the request to have the shares repurchased may be made if either of the registered holders acquires a qualifying disability. If the stockholder is not a natural person, such as certain trusts or a partnership, corporation or other similar entity, the right of repurchase upon disability does not apply.

Items of Note

When stockholders make a request to have shares repurchased, stockholders should note the following:

- if stockholders are requesting that some but not all of their shares be repurchased, stockholders should keep their balance above \$500 to avoid minimum account repurchase, if applicable;
- stockholders will not receive interest on amounts represented by uncashed repurchase checks;
- under applicable anti-money laundering regulations and other federal regulations, repurchase requests may be suspended, restricted or canceled and the proceeds may be withheld; and
- all shares of our common stock requested to be repurchased must be beneficially owned by the stockholder of record making the request or his or her estate, heir or beneficiary, or the party requesting the repurchase must be authorized to do so by the stockholder of record of the shares or his or her estate, heir or beneficiary, and such shares of common stock must be fully transferable and not subject to any liens or encumbrances. In certain cases, we may ask the requesting party to provide evidence satisfactory to us that the shares requested for repurchase are not subject to any liens or encumbrances. If we determine that a lien exists against the shares, we will not be obligated to repurchase any shares subject to the lien.

IRS regulations require us to determine and disclose on Form 1099-B the adjusted cost basis for shares of our stock sold or repurchased. Although there are several available methods for determining the adjusted cost basis, unless stockholders elect otherwise, which stockholders may do by checking the appropriate box on the repurchase authorization form which will be available on our website, we will utilize the first-in-first-out method.

Frequent Trading and Other Policies

We may reject for any reason, or cancel as permitted or required by law, any purchase orders for shares of our common stock. For example, we may reject any purchase orders from market timers or investors that, in our opinion, may be disruptive to our operations. Frequent purchases and sales of our shares can harm stockholders in

various ways, including reducing the returns to long-term stockholders by increasing our costs, disrupting portfolio management strategies and diluting the value of the shares of long-term stockholders.

In general, stockholders may request that we repurchase their shares of our common stock once every 30 days. However, we prohibit frequent trading. We define frequent trading as follows:

- any stockholder who requests that we repurchase its shares of our common stock within 30 calendar days of the purchase of such shares;
- transactions deemed harmful or excessive by us (including, but not limited to, patterns of purchases and repurchases), in our sole discretion; and
- transactions initiated by financial advisors, among multiple stockholder accounts, that in the aggregate are deemed harmful or excessive.

The following are excluded when determining whether transactions are excessive:

- purchases and requests for repurchase of our shares in the amount of \$2,500 or less;
- purchases or repurchases initiated by us; and
- transactions subject to the trading policy of an intermediary that we deem materially similar to our policy.

At the Dealer Manager's discretion, upon the first violation of the policy in a calendar year, purchase and repurchase privileges may be suspended for 90 days. Upon a second violation in a calendar year, purchase and repurchase privileges may be suspended for 180 days. On the next business day following the end of the 90 or 180 day suspension, any transaction restrictions placed on a stockholder may be removed.

Mail and Telephone Instructions

We and our transfer agent will not be responsible for the authenticity of mail or phone instructions or losses, if any, resulting from unauthorized stockholder transactions if they reasonably believe that such instructions were genuine. We and our transfer agent have established reasonable procedures to confirm that instructions are genuine including requiring the stockholder to provide certain specific identifying information on file and sending written confirmation to stockholders of record no later than five days following execution of the instruction. Stockholders, or their designated custodian or fiduciary, should carefully review such correspondence to ensure that the instructions were properly acted upon. If any discrepancies are noted, the stockholder, or its agent, should contact his, her or its financial advisor as well as Inland Investor Services in a timely manner, but in no event more than 30 days from receipt of such correspondence. Failure to notify such entities in a timely manner will relieve us, our transfer agent and the financial advisor of any liability with respect to the discrepancy.
