Dear Fellow Stockholder:

I am pleased to inform you that Inland Real Estate Income Trust, Inc.'s (Inland Income Trust) Board of Directors (the Board) has approved changes to the Share Repurchase Program. The changes, which are implemented through the "Fifth Amended and Restated Share Repurchase Program" primarily eliminate the requirement that funding for share repurchases be limited to a percentage of the net proceeds received by the Company from the issuance of shares of common stock under the Company's distribution reinvestment plan. The Board will have discretion to establish the proceeds available to fund repurchases each quarter and may use proceeds from all sources available to the Company, in the Board's sole discretion. The Board will also continue to have the discretion to determine the amount of repurchases, if any, to be made each quarter based on its evaluation of the Company's business, cash needs and any requirements of applicable law.

We filed a Current Report on Form 8-K on November 13, 2023 announcing the amendment and restatement and included a copy of the amendment and restatement as an exhibit to that filing. You may review the filing on Form 8-K and the amended and restated program by visiting our website at <https://inland-investments.com/inland-incometrust/sec-filings> or the Securities and Exchange Commission's website at [www.sec.gov](http://www.sec.gov). A copy of the Fifth Amended and Restated Share Repurchase Program is also available on our website at <https://inland-investments.com/inland-income-trust/forms> under the tab "Redemption Forms".
